(d) Ownership of Collateral.

(i) The Borrower represents that it is the owner of the Collateral free from any lien, security interest or encumbrance, except as permitted by §11.2 of the Credit Agreement.

(ii) Except for the security interests herein granted and except as permitted in §11.2 or §11.5 of the Credit Agreement, the Borrower shall be the owner of the Collateral free of any lien, security interest or encumbrance and the Borrower shall defend the same against all claims and demands of all persons at any time claiming the same or any interest therein adverse to the Secured Party. Except as otherwise permitted in §11.2 of the Credit Agreement, the

Borrower shall not pledge, mortgage or create or suffer to exist a security interest in the Collateral in favor of any person other than the Secured Party.

(e) Sale or Disposition of Collateral. Except as permitted by §11.5 of the Credit Agreement, the Borrower will not sell or offer to sell or otherwise transfer the Collateral or any interest therein.

(f) Insurance. The Borrower shall have and maintain at all times with respect to the Collateral such insurance as is required by the Credit Agreement, such insurance to be payable to the Secured Party and to the Borrower as their interests may appear. All policies of insurance shall provide for 30 days' written minimum cancellation notice to the Secured Party. In the event of failure to provide and maintain insurance as herein provided, the Secured Party may, at its option, provide such insurance, and the Borrower hereby promises to pay to the Secured Party within 30 days after demand by the Secured Party the amount of any disbursements made by the Secured Party for such purpose. The Borrower shall furnish to the Secured Party certificates or other evidence reasonably satisfactory to the Secured Party of compliance with the foregoing insurance provisions. During the continuance of any Event of Default, the Secured Party may act as attorney for the Borrower in obtaining such insurance and endorsing any drafts, and in adjusting, settling and cancelling such insurance; and, during the continuance of an Event of Default, any amounts collected or received under any such policies shall be applied by the Secured Party to the Obligations in accordance with the provisions of §3, or at the option of the Secured Party, the same may be released to the Borrower, but such application or release shall not cure or waive any default hereunder and no amount so released shall be deemed a payment on any Obligation secured hereby.

(g) Maintenance of Collateral. The Borrower will keep the Collateral in good order and repair in accordance with industry standards and will not use the same in violation of law or any policy of insurance thereon. The Secured Party may inspect the Collateral at any reasonable time, wherever located. Except as otherwise provided in §10.6 of the Credit Agreement, the Borrower will pay promptly when due all taxes and assessments upon the Collateral or for its use or

operation or upon this agreement. In its discretion, the Secured Party may discharge taxes and other encumbrances at any time levied or placed on the Collateral which remain unpaid in violation of §10.6 of the Credit Agreement and pay any necessary filing fees. The Borrower agrees to reimburse the Secured Party within thirty days after demand by the Secured Party for any and all expenditures so made, and until paid the amount thereof shall be a debt secured by the Collateral. The Secured Party shall have no obligation to the Borrower to make any such expenditures, nor shall the making thereof relieve the Borrower of any default.

(h) Further Assurances by the Borrower. The Borrower agrees to execute and deliver to the Secured Party from time to time at its request all documents and instruments, including without limitation, financing statements and supplemental security agreements, and to take all action as the Secured Party may reasonably deem necessary or proper to perfect or otherwise protect the security interest and lien created hereby.

§5. ATTORNEY-IN-FACT. The Borrower hereby irrevocably appoints the Agent the Borrower's attorney-in-fact, with full authority in the place and stead of the Borrower and in the name of the Borrower or otherwise, to take any action and to execute any instrument, including without limitation, UCC financing statements, the Agent may deem necessary or advisable to accomplish the purposes of this Agreement.

§6. REMEDIES. Upon the occurrence and during the continuance of any Event of Default, whether or not the Obligations are due, the Secured Party may demand, sue for, collect, or make any settlement or compromise it deems desirable with respect to the Collateral. Regardless of the adequacy of the Collateral or any other security for the Obligations, after the occurrence and during the continuance of an Event of Default, any deposits or other sums credited by or due from the Secured Party to the Borrower may at any time be applied to or set off against any of the Obligations. The amount of any such setoff shall be applied as provided in §3 hereof. Upon the occurrence and during the continuance of any Event of Default (whether or not any acceleration of the maturity of the amounts due in respect of any of the Obligations shall have occurred), to the fullest extent permitted by applicable law:

(a) The Secured Party shall have, in addition to all other rights and remedies given it by any instrument or other agreement evidencing, or executed and delivered in connection with, any of the Obligations and otherwise allowed by law, the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any applicable jurisdiction and the rights and remedies of a secured party holding a security interest in collateral pursuant to the Interstate Commerce Act of 1887, as amended to the extent applicable, and without limiting the generality of the foregoing, the Secured Party may without demand of performance or advertisement or notice of intention to sell or of time or place of sale or of redemption or other notice or demand whatsoever, (except that the Secured Party shall give to the Borrower at least five days' notice of the time and place of any proposed sale or other disposition), all of which are hereby expressly waived to the fullest extent permitted by law, sell at public or private sale or otherwise realize upon, in the City of Chicago, Illinois or elsewhere, the whole or from time to time any part of the Collateral in or upon which the Secured Party shall have a security interest or lien hereunder, or any interest which the Borrower may have therein, and after deducting from the proceeds of sale or other disposition of the Collateral all expenses (including all reasonable out-of-pocket expenses for legal services) as provided in §10, shall apply the residue of such proceeds toward the payment of the Obligations in accordance with §3 of this Agreement, the Borrower remaining liable for any deficiency remaining unpaid after such application and being entitled to any surplus. If notice of any sale or other disposition is required by law to be given to the Borrower, the Borrower hereby agrees that a notice given as hereinbefore provided shall be reasonable notice of such sale or other disposition. The Borrower also agrees to assemble the Collateral at such place or places as the Secured Party reasonably designates by written notice. At any such sale or other disposition the Secured Party may itself, and any other person or entity owed any Obligation may itself, to the extent permitted by applicable law, purchase the whole or any part of the Collateral sold, free from any right of redemption on the part of the Borrower, which right is hereby waived and released to the fullest extent permitted by applicable law.

(b) Furthermore, without limiting the generality of any of the rights and remedies conferred upon the Secured Party under §6(a) hereof, the Secured Party to the fullest extent permitted by law, may enter upon the premises of the Borrower, exclude the Borrower therefrom and take immediate possession of the Collateral, either personally or by means of a receiver appointed by a court therefor, and may, at its option, use, operate, manage and control the Collateral in any lawful manner and may collect and receive all rents, income, revenue, earnings, issues and profits therefrom, and may maintain, repair, renovate, alter or remove the Collateral as the Secured Party may reasonably determine in its discretion, and any such monies so collected or received by the Secured Party shall be applied to, or may be accumulated for application upon, the Obligations in accordance with §3 of this Agreement.

(c) The Borrower shall, at the request of the Secured Party, after an Event of Default under the Credit Agreement has occurred and is continuing, notify the debtors on accounts receivable of the Borrower of the security interest of the Secured Party in any account and that payment thereof is to be made directly to the Secured Party, and the Secured Party may itself at any time during the continuance of such Event of Default, without further notice to or demand upon the Borrower, so notify account debtors.

The Secured Party agrees that it will give notice to the Borrower of any enforcement action taken by it pursuant to this §6 promptly after commencing such action.

§7. MARSHALLING. The Secured Party shall not be required to marshal any present or future security for (including but not limited to this Agreement and the Collateral subject to the security interest created hereby), or guaranties of, the Obligations or any of them, or to resort to such security or guaranties in any particular order; and all of its rights hereunder and in respect of such securities and guaranties shall be cumulative and in addition to all other rights, however existing or arising. To the extent that it lawfully may waive such right, the Borrower hereby agrees that it will not invoke any law relating to the marshalling of collateral which might cause delay in or impede the enforcement of the Secured Party's rights under this Agreement or under any other instrument evidencing any of the Obligations or under which any of the

Obligations is outstanding or by which any of the Obligations is secured or guaranteed, and to the extent that it lawfully may waive such benefits, the Borrower hereby irrevocably waives the benefits of all such laws.

§8. BORROWER'S OBLIGATIONS NOT AFFECTED. Subject to the provisions of §13 hereof, to the extent permitted by applicable law, the obligations of the Borrower under this Agreement shall remain in full force and effect without regard to, and shall not be impaired by, (a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of the Borrower; (b) any exercise or nonexercise, or any waiver, by the Secured Party of any right, remedy, power or privilege under or in respect of any of the Obligations or any security therefor (including this Agreement); (c) any amendment to or modification of this Agreement or any instrument evidencing any of the Obligations or pursuant to which any of them were issued; (d) any amendment to or modification of any instrument or agreement (other than this Agreement) securing any of the Obligations; or (e) the taking of additional security for or any guaranty of any of the Obligations or the release or discharge or termination of any security or guaranty for any of the Obligations; and whether or not the Borrower shall have notice or knowledge of any of the foregoing.

§9. NO WAIVER. No failure on the part of the Secured Party to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise by the Secured Party of any right, remedy or power hereunder preclude any other or future exercise of any other right, remedy or power. Each and every right, remedy and power hereby granted to the Secured Party or allowed to it by law or other agreement, including, without limitation, the Credit Agreement, the Notes or any other Security Document, shall be cumulative and not exclusive of any other, and, subject to the provisions of this Agreement, may be exercised by the Secured Party from time to time.

§10. EXPENSES. The Borrower agrees to pay, on demand, all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and expenses for legal services of every kind including, without limitation, allocated costs of staff counsel) of the Secured Party incidental to the sale of, or realization upon, any of the Collateral or in any way relating to the perfection, enforcement or protection of the rights of the Secured Party hereunder; and

the Secured Party may at any time apply to the payment of all such costs and expenses all monies of the Borrower or other proceeds arising from its possession or disposition of all or any portion of the Collateral pursuant to this Security Agreement.

§11. MISCELLANEOUS. Any term of this Agreement may be amended, and the performance or observance by the Borrower of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only in accordance with the provisions of §24 of the Credit Agreement. Except as otherwise required by the laws of any jurisdiction in which any Collateral is located, this Agreement shall be governed by and construed in accordance with the laws of the State of Illinois. The Agent acknowledges that consents to the assignment of certain agreements to which the Borrower is a party pursuant hereto have not been obtained by the Borrower; the Borrower represents and warrants that the failure to obtain such consents will not have any material adverse effect. All terms of this Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided that the Borrower may not assign or transfer its rights hereunder without the prior written consent of the Banks and the Agent may assign or transfer its rights hereunder only in accordance with §18 of the Credit Agreement.

§12. AGENCY. Notwithstanding any provision to the contrary elsewhere in this Agreement or the Credit Agreement, the Secured Party shall not have any duties or responsibilities as Agent for the Banks, except those expressly set forth herein or in §16 of the Credit Agreement.

§13. TERMINATION. Upon payment in full of the Loans and all other amounts then due and payable under the Loan Documents in accordance with their terms and the termination of all commitments to lend thereunder, this Agreement shall terminate and the Borrower shall be entitled to the return, at the Borrower's expense, of such Collateral in the possession or control of the Secured Party as has not theretofore been disposed of pursuant to the provisions hereof. The Agent will take such actions as the Borrower may reasonably request in order to terminate of record the security interests and liens created hereby.

§16. NOTICES. Except as otherwise expressly provided herein, all notices and other communications made or required to be given pursuant to this Agreement shall be made in accordance with the provisions of §21 of the Credit Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Security Agreement to be duly executed as an instrument under seal by their authorized representatives as of the date first written above.
